

ASSIMAGRA
MINERAL RESOURCES OF PORTUGAL

ASSIMAGRA

MINERAL RESOURCES OF PORTUGAL

Member of the CLUSTER Portugal OF MINERAL RESOURCES since 2009.

Assimagra is a private employers' association, founded in 1964, which represents the Portuguese mineral resources industry, namely the quarrying, processing and / or trade in natural stone, industrial minerals and metallic ores. Its associates find in ASSIMAGRA a pillar of defense and permanent support, capable of providing answers and proposing orientations to the mineral resources sector, as a whole, and to companies, individually, contributing to its sustainable, technological and economic development and enhancing the its capacity for internationalization and value generation.

INTERVENTION AREAS:

- ENCOURAGING INTERNATIONALIZATION AND ECONOMIC VALORIZATION OF COMPANIES;

- FOSTERING THE INCORPORATION OF KNOWLEDGE AND QUALIFICATION OF COMPANIES AND THEIR HUMAN RESOURCES;
- INTERVENTION IN PLANNING AND TERRITORY MANAGEMENT for SUSTAINABLE EXPLOTATION AND EFFICIENT USE OF RM;
- STIMULATING THE PROMOTION AND CREATION OF VALUE THAT CAN LEVERAGE THE COMPETITIVENESS OF THE SECTOR;
- SECTOR SELF-REGULATION.

Location:

Head Office: Largo do Rossio, Edifício S.Pedro, Escritório nº5, 2480-314 Porto Mós

Delegations in Brussels, Évora, Lisbon and Oporto.
