B Stone

member of the CLUSTER PORTUGAL
MINERAL RESOURCES since 2010.

B group comprehends four different, yet complementary companies and activities.

Quarrying with **B Explore**; Transformation and distribution with **Bloco B**, Cut to size projects with **B Project**, and 3D special projects with **B Innovation**.

The **B Stone** group is a national and international reference brand in the sector of ornamental stones. With all this growth and evolution, they share with you a brand that represents quality, advanced processing systems, creativity, design, and all the hard work that they all put into each square meter of marble that leaves their factory.

From Portugal to the world, **B Stone** exports quality natural stones, mainly marbles but also all kinds of natural stone. B stone exports natural stone to all world, thanks to a vast network of major distributors. We also have an online store - www.bstone.pt - available in English, French, and Portuguese.

The experience gained in the international market and with the contact with many cultures, brought firmness and security, making **B Stone** a solid company, always ready to meet the demands of each project. Their extensive knowledge of the product and of the market boosted the quality of the product and service, allowing them to meet the expectations of each customer. **B Stone** is an ever-present company, ready to respond with seriousness and accuracy to every project they embrace today and in the future, ensuring continuity and quality of the product.
