

Founded in 1966, RAFAÉIS is a limestone extraction company, currently with 3 quarries. Since 2007, it is owned by two companies, Solancis - Sociedade Exploradora de Pedreiras SA and Mármores Vigário, and presents a diversified portfolio of stones, recognized worldwide, such as **Azul Valverde, Alpinina, Rosal Real, Creme Mós and São Raphael.**

In its core, **sustainability is the key** to the future, with implemented measures and procedures that value and respect the unique and singular raw material that is the Portuguese limestone.
